### HEALTH INFORMATION

#### Requirements:

1. A Certificate of Veterinary Inspection (CVI) issued within the 30 days prior to the opening dates of the exhibition is required. Equine Infectious Anemia (EIA) test results and date of the test must be included on the CVI.
2. All animals must be free of infectious and contagious diseases and a statement of this is required on the CVI (the statement is pre-printed on the CVI). Animals appearing unhealthy upon arrival may not enter the exhibition grounds.
3. All equine animals must have tested negative for EIA by an official test within the 12 months prior to the opening date of the exhibition. A copy of the official test results must accompany each animal to its final destination. Foals less than 6 months of age accompanied by a dam which meets the above requirements are exempt from EIA testing requirements. If the foal is not accompanied by the dam, a copy of the dam's test results must accompany the foal to its final destination.
4. A current rabies vaccination administered by a licensed veterinarian is required for animals 3 months of age and older. All vaccine label directions must be followed, and all rabies vaccinated equine animals must be accompanied by a rabies vaccination certificate or the vaccination information must be included on the CVI. If a rabies vaccination certificate is provided, the certificate must contain legible name and contact information of the veterinarian who administered the vaccine and the veterinarian's signature. A copy of the rabies vaccination certificate is acceptable.
